To Whom It May Concern,

I hope this letter finds you well. As we navigate through the challenges of our ever-changing world, the values of inclusion and community has never been more crucial. I am writing to you on behalf of Explore the Possibilities, a nonprofit organization based in Girard, PA, committed to serving our community, families, and individuals of all abilities.

Our mission is to provide educational and co-curricular activities that are inclusive and supportive of all abilities. We purchased a old Catholic School and are currently in the process of creating a space that not only adheres to Americans with Disabilities Act standards but goes beyond to offer a truly safe, sensory friendly, and adaptive environment. We believe that every individual, regardless of their abilities, should have the opportunity to explore, learn, and grow.

Our vision extends beyond physical accessibility. We are actively working to partner with like-minded professionals to expand our offerings to include behavioral and mental health services, play-based therapy, and tailored programs that cater to sensory needs. By doing so, we aim to create a comprehensive support system that addresses the diverse needs of our community.

As we turn this vision into reality, we are seeking the support of generous individuals like you. Your contribution will play a crucial role in establishing a space where everyone feels welcome and has the chance to thrive. Whether it's supporting educational initiatives, contributing to the development of specialized programs, or helping us make our facilities truly inclusive, your donation will make a lasting impact on the lives of those we serve.

*Here are some examples of how your donation can make a difference:*

Partners will contribute to a fund that provides: learning manipulatives and equipment necessary for inclusive educational activities, contribute to the creation of accessible and safe play areas for children of all abilities, support the development of sensory-friendly programs and events, help fund partnerships with professionals for behavioral and mental health services, parent education classes to advocate for their children, and building improvements that exceed ADA compliance.

Partners will receive updates of how the donation is being utilized.

Explore the Possibilities is more than just a nonprofit; it is a community-driven initiative dedicated to fostering an environment where everyone can explore their potential without limitations.

To contribute, please visit our website, [www.littleexplorerschristianacademy.com](http://www.littleexplorerschristianacademy.com) or contact us directly at 216-509-9791 or LittleExplorersGirard@gmail.com. We deeply appreciate your consideration and support in helping us make a positive impact on the lives of those we serve.

Thank you for your time and commitment to creating a more inclusive environment where children of all abilities can learn and play.

Sincerely,

**Jamie Matson, M. Ed.**
